### PROPOSITION 1

#### ORDINANCE AMENDING FNSBC CHAPTER 8.21 REGARDING PM2.5 AIR QUALITY PROGRAM

Shall Chapter 8.21 of the FNSB Code of Ordinances regarding the PM2.5 Air Quality Program be amended to (1) bar, except for prohibited fuels, Borough regulation or restriction of solid fuel appliances, pellet fuel burning appliances, masonry heaters or hydronic heaters that are EPA certified or its defined equivalent, (2) to provide for a written complaint process meeting specified standards including requiring that the person filing the complaint be personally and adversely affected in a way different from that of the general public. Anonymous complaints would not be allowed and the borough will investigate only complaints meeting the specified standards and (3) bar any restriction or other linkage between the use, ownership or existence of solid fuel appliances, pellet fuel burning appliances, masonry heaters or hydronic heaters and the sale of real estate.

A "Yes" vote means FNSBC Chapter 8.21 is amended.

A "No" vote means the initiative will be defeated. The current FNSBC Chapter 8.21 will remain law.
