Date: July 12, 2022 **AMENDMENT**

Subject: Modification and /or Waivers of FNSB code provisions governing public meetings during a disaster

As permitted by FNSB Code 2.16.150, the following modifications and/or waivers of Fairbanks North Star Borough code provisions governing public meetings during the COVID-19 pandemic have been developed:

Rules governing in-person quorum requirements or limitations on participation by teleconference for board or commission public meetings are suspended for those who have illness or similar reasons not to be in person while the community is listed as having 'high' transmission of COVID-19 according to the Center for Disease Control (CDC). These rules are to be applied to boards and commissions that are exercising a quasi-judicial role. These rules do not apply to the Board of Equalization or the Board of Adjustment.

Persons needing to participate in a public meeting remotely via teleconference shall make arrangements with the Borough Clerk not later than 4:30pm the day of the meeting.
