

STREAMING AUDIO OF FAIRBANKS NORTH STAR BOROUGH REGULAR AND SPECIAL ASSEMBLY MEETINGS, COMMITTEE OF THE WHOLE AND FINANCE COMMITTEE MEETINGS

- Go to www.fnsb.us. Scroll to the bottom of the page and click on the "FNSB Live Webcasts Icon as show below. The link will open a new browser and if a meeting is in progress, the audio will begin playing automatically.

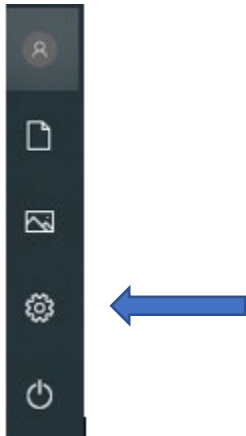

- KUAC broadcasts all Regular Assembly meetings on 89.9 FM, beginning at 7 p.m.

USING THE CORRECT APPLICATION FOR STREAMING AUDIO

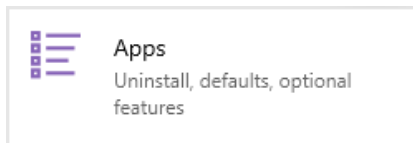

- FNSB streaming *does not work* with Groove Music Player, which is the default application in Windows 10. Groove Music does not support .m3u playback.
- FNSB streaming *does work* with Windows Media Player, VLC Media Player, MPC-HC Media Player and any other media player that supports .m3u playback.
- Instructions on how to change your default media player for a Windows 10 operating system are on the next page.
- For other computers and personal electronic devices such as smart phones or tablets, change the media player in the Default Apps settings to an .m3u compatible player. Refer to the manufacturers help for assistance.

CHANGING YOUR DEFAULT MEDIA PLAYER SETTINGS FOR WINDOWS 10

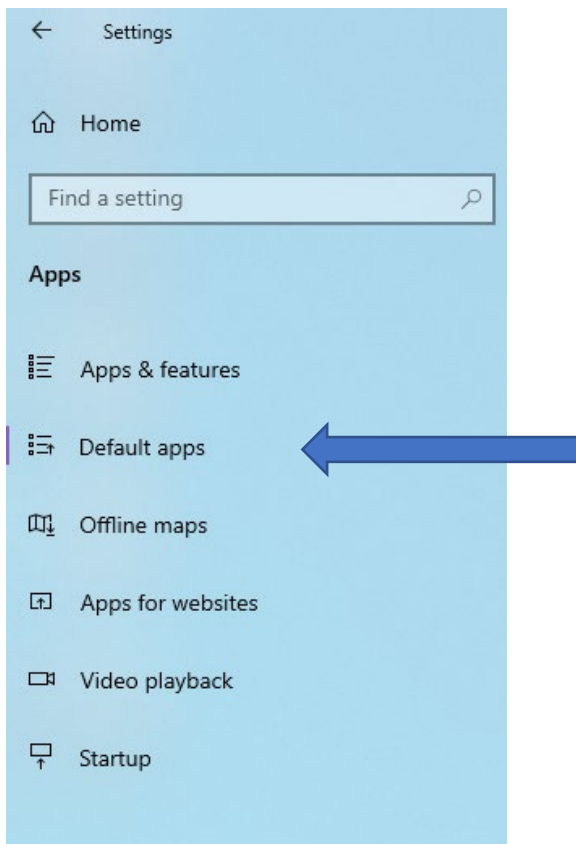

1) Click on Settings from your start menu

2) Under Windows Settings click on Apps

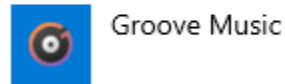

3) Click on Default Apps

4) Click on the App listed (last default setting was Groove Music)

Music player

5) Change to Windows Media Player to be able to listen to Live Streaming through FNSB Portal.
