

“Faces of Hope” Art Contest

The Fairbanks Wellness Coalition, Noel Wien Public Library, and Lathrop High School are joining forces to create an art installation and event, “The Faces of Hope: Community Connection.” The opioid and heroin crisis has reached an all time high across the United States. However, it has not yet reached the astounding numbers here in Fairbanks. Let’s recognize the **positive** ways to prevent addiction from touching our community.

There will be an art contest in which all entries will be displayed at Noel Wien as well as Lathrop High School. All 2-D and 3-D pieces will be eligible for a \$100 or \$50 Visa gift card for a 1st and 2nd prize respectively. Anyone can enter!

Entries need to be taken to Noel Wien Public Library’s Office or Reference Desk by August 24th. There is a possibility of this installation becoming a traveling art show!

Think of a positive way to represent addiction awareness and/or prevention--positive messages in art are what we want!
