

# Welcoming Rosalys Peel

Author of **Mike & Me:**

**An Inspiring Guide for Couples Who Choose to Face Alzheimer's Together at Home**

Seattle author **Rosalys (Rose Alice) Peel** is a teacher and a storyteller.

Her book *Mike & Me*, shares a personal journey where love triumphs over the dreaded effects of Alzheimer's.

Acclaimed by neurologists, nurses, ministers, coaches and Alzheimer's experts, she shares stories of "lessons learned" in *three separate sessions in Fairbanks*. These strategies apply to many different circumstances of aging and disabilities, not just Alzheimer's.

*"Mike and I surpassed virtually all expectations for this disease, and discovered new ways to experience 10 full years of life, love and marriage. Through it all, we approached each day by living with, rather than dying from, Alzheimer's. This book will show you how."*
